## **GENERAL INFORMATION ON HOW THE PLAN WORKS**

Under this Group Dental Plan, you are free to go to the Dentist of your choice; however, you will receive greater benefits if you go to a Delta Dental PPO Dentist. A list of Delta Dental PPO Dentists is available on the Delta Dental of Illinois website [www.deltadentalil.com](http://www.deltadentalil.com).

The level of covered Dental Benefits paid under this Group Dental Plan depends on whether you go to (1) a Delta Dental PPO Dentist, (2) a Non-Delta Dental PPO Dentist who is a Delta Dental Premier Dentist, or (3) a Non-Delta Dental PPO Dentist who is not a Delta Dental Premier Dentist. See the Schedule of Dental Benefits for a description of the payment levels for each of the above categories of Dentists.

This Group Dental Plan will pay Delta Dental PPO Dentists and Non-Delta Dental PPO Dentists who are Delta Dental Premier Dentists directly and the right to receive that payment shall not be assignable. If your Dentist is a Non-Delta Dental PPO Dentist who is not a Delta Dental Premier Dentist, you will be paid directly and the right to receive that payment shall not be assignable.

### **HOW TO FILE A CLAIM**

#### **TO USE YOUR GROUP DENTAL PLAN, FOLLOW THESE STEPS**

- (1) Please read this Dental Benefits Booklet carefully in order to familiarize yourself with the benefits and provisions of this Group Dental Plan.
- (2) If your Dentist does not have a claim form, you may obtain one from your personnel office. Please be sure that the information portion of the claim form includes the following:
  - (a) the employee's full name and address;
  - (b) the employee's social security number;
  - (c) the name and date of birth of the person receiving dental treatment; and
  - (d) the group name and number.
- (3) If your Dentist is not familiar with this Group Dental Plan or has any questions regarding this Group Dental Plan, he/she may contact Delta Dental of Illinois, 111 Shuman Boulevard, Naperville, Illinois 60563; telephone (1-800) 323-1743.
- (4) If your Dentist expects that the total fees for your dental treatment will exceed \$200, then DDIL recommends that a request for the predetermination of plan benefits be submitted, prior to treatment, to DDIL, P.O. Box 5402, Lisle, Illinois 60532, so that you and your Dentist are aware of the coverage afforded under this Group Dental Plan prior to services being rendered. This request must show your dental needs and a description of the procedures and services which the treating Dentist plans to perform, including the actual fees to be charged for each procedure or service.
- (5) DDIL will review the request for predetermination of plan benefits and the required documentation (as set forth in the section titled *Required Documentation*) submitted by the treating Dentist in order to determine the level of payment under this Group Dental Plan. A pre-treatment determination does not take into account other coverage you may have; DDIL coordinates its benefits with another group dental plan after treatment has been completed.
- (6) After your treating Dentist has completed the dental services outlined in the Predetermined Benefit Voucher, this voucher is to be resubmitted to DDIL indicating the date each dental procedure or service was rendered. If procedures or services are rendered after 90 days from the date this Group Dental Plan issued its payment determination, as outlined in the Predetermined Benefit Voucher, the claim must be submitted to DDIL with the required documentation set forth in the section titled *Required Documentation*. This Proof of Claim should be furnished within 90 days after you have received the Dental Benefit.

- (7) If a request for predetermination of plan benefits is not submitted in advance as requested, this Group Dental Plan reserves the right to make a determination of the level of payment, taking into account the provisions of this Group Dental Plan. A determination made by DDIL imposes no restrictions on the method of diagnosis or treatment by a treating Dentist and only relates to the level of payment which this Group Dental Plan is required to make.
- (8) Submission of a request for predetermination of plan benefits before treatment commences is not requested for:
  - (a) procedures and services where the total fees are less than \$200;
  - (b) emergency examination and treatment for accidental injuries; emergency treatment for relief of pain when not related to a final procedure; and
  - (c) oral surgery necessitated as a result of an injury.

### **ELIGIBILITY REQUIREMENTS**

A Dependent's coverage commences on whichever of the following dates is applicable.
  - (i) An Enrolled Employee's Dependents shall have coverage under this Group Dental Plan beginning on the same date as the Enrolled Employee's coverage, if written request for coverage for his/her Dependents is made by the Enrolled Employee on the date he or she first enrolls in this Group Dental Plan.
  - (ii) Dependent coverage shall commence as of the date of the Enrolled Employee's marriage and shall include any stepchildren of the Enrolled Employee who becomes eligible because of such marriage, if written request is made by the Enrolled Employee and the required contribution is paid within 31 days after the date of marriage.
  - (iii) Dependent coverage shall commence as of the date of the birth of a newborn child of an Enrolled Employee who on such date has Dependent coverage in force or has no other living Dependents or as of the date of adoption of a child by or the date of placement for adoption with an Enrolled Employee who on such date has Dependent coverage in force and has no other living Dependents, if written request for coverage for such child is made and the required contribution is paid within 31 days after such birth or adoption.
- (c) Benefit Year: Regardless of a Covered Individual's Effective Date of Coverage, the reference period for determining the application of coverage limits shall be the Benefit Year as specified in the Dental Plan Specifications.

#### **General Eligibility Rules**

- (a) Enrollment: No individual shall be eligible for Dental Benefits under this Group Dental Plan unless listed by the employer as a Covered Individual in accordance with the provisions of this Group Dental Plan.
- (b) Dependents:
  - (i) A dependent child may continue to be eligible as a Dependent if he/she is incapable of self-support because of physical or mental incapacity (that commenced prior to losing dependent status) and if he/she

is chiefly dependent on the Enrolled Employee for support, provided proof of such incapacity and dependency is submitted within 31 days after a request by DDIL, and subsequently as may be required by DDIL, but not more frequently than annually after the incapacitated and dependent child has reached age 21.

- (ii) Each Enrolled Employee must notify employer of any changes in dependent status, if applicable, immediately upon change of status.
- (c) Continuation of Coverage: A Covered Individual may be eligible to continue coverage under federal law and regulations. A Covered Individual may also be eligible for continuation of benefits under the Federal Family and Medical Leave Act if on an unpaid leave.

### **Termination of Eligibility**

- (a) Termination of Group Dental Plan: Eligibility for Dental Benefits under this Group Dental Plan will terminate for all Covered Individuals upon termination of this Group Dental Plan.
- (b) Termination of Individual Eligibility:
  - (i) The eligibility of an Enrolled Employee, and the eligibility of the Dependents of that Enrolled Employee, will terminate if that employee ceases to be eligible under this Group Dental Plan.
  - (ii) In no event will eligibility for any individual covered under this Group Dental Plan continue beyond the date DDIL is advised by employer to terminate that individual's eligibility, or the date on which employer fails to remit the required payment for the individual.
- (c) Completed Treatment: If a Covered Individual should lose eligibility under this Group Dental Plan for any reason, no Dental Benefits will be paid or otherwise discharged after that termination date except for treatment completed on or before the date of termination.

### **DENTAL BENEFITS**

This Group Dental Plan will pay for those dental services or procedures listed in the Schedule of Dental Benefits. Benefit payments are subject to any applicable Deductible, waiting periods and coverage limits listed in the Dental Plan Specifications.

The Dental Benefits furnished under this Group Dental Plan are limited and defined as set forth in the Schedule of Dental Benefits. A request for predetermination of plan benefits, accompanied by any required documentation, should be submitted to DDIL for payment determination before services are rendered. A determination made by DDIL imposes no restrictions on the method of diagnosis or treatment by a treating Dentist and only relates to the level of payment which this Group Dental Plan is required to make.

Not all dental services and procedures are covered under this Group Dental Plan. See the Schedule of Dental Benefits for a list of services and procedures not covered.

### **LEVEL OF DENTAL BENEFITS**

The level of covered Dental Benefits under this Group Dental Plan depends on whether a Covered Individual goes to (1) a Delta Dental PPO Dentist, (2) a Non-Delta Dental PPO Dentist who is a Delta Dental Premier Dentist, or (3) a Non-Delta Dental PPO Dentist who is not a Delta Dental Premier Dentist. See the Schedule of Dental Benefits for a description of the benefit levels for each of the above categories of Dentists.

## **REQUIRED DOCUMENTATION**

The following information must be submitted to DDIL with every request for predetermination of plan benefits or claim for payment for the listed Dental Benefits. In the absence of this information or the requested information indicated on DDIL's claim form, this Group Dental Plan will be unable to render a benefit determination.

Full Mouth Series of Radiographs: This Group Dental Plan requires the submission of full mouth radiographs with every claim for non-surgical periodontics, surgical periodontics and complete dentures.

Full Arch Periapical Radiographs: This Group Dental Plan requires the submission of full arch periapical radiographs with every claim for osseous fractures and fixed partial and removable dentures.

Periapical Radiographs: This Group Dental Plan requires the submission of periapical radiographs with every claim for surgical extractions, endodontics (post-operative radiographs), cast restorations and space maintainers.

Histopathology/Hospital Report: This Group Dental Plan requires the submission of a histopathology and/or hospital report with every claim for biopsies and the surgical excision of tissue.

## **GENERAL PROVISIONS**

### **NOTICE AND PROOF OF DENTAL CLAIMS**

Written notice and proof of claim is to be furnished to DDIL within 90 days after the Covered Individual has received a Dental Benefit.

Failure to furnish this Proof of Claim within this 90 day time period shall not invalidate or reduce any claim if the Covered Individual provides a reasonable explanation of this failure to file a timely claim. IN NO EVENT WILL EMPLOYER BE LIABLE FOR ANY NOTICE OR PROOF OF CLAIM WHICH IS SUBMITTED TO DDIL MORE THAN ONE YEAR AFTER THE COVERED INDIVIDUAL HAS RECEIVED DENTAL SERVICES FOR THAT CLAIM. No action shall lie against employer unless, as a condition precedent thereto, the Covered Individual shall have fully complied with the notice and Proof of Claim provisions contained in this Dental Benefits Booklet.

### **COORDINATION OF BENEFITS**

The purpose of this Group Dental Plan is to help you meet the cost of needed dental care or treatment. It is not intended that anyone receive benefits greater than actual expenses incurred. In no event will payment under this plan exceed the amount which would have been allowed if dental coverage did not exist.

If a Covered Individual is entitled to coverage under two or more policies or prepaid health care plans, then the covered Dental Benefits of this Group Dental Plan shall be paid as follows:

- (a) The benefits of the plan which covers the person directly as the employee and not as a Dependent will be determined before those of the plan which covers the person as a Dependent.
- (b) Except as set forth in paragraph (c), when two or more plans cover the same child as a Dependent of different parents:
  - 1. The benefits of the plan of the parent whose birthday, excluding year of birth, falls earlier in a year will be determined before those of the plan of the parent whose birthday, excluding year of birth, falls later in that year; but

2. If both parents have the same birthday, the benefits of the plan which covered the parent for a longer period of time will be determined before those of the plan which covered the parent for a shorter period of time.

However, if a plan subject to the rule based on the birthday of the parents as stated above coordinates with an out-of-state plan which has a rule based upon the gender of the parent, and if as a result, the plans do not agree on the order of benefits, the rule in the other plan will determine the order of benefits.

- (c) If two or more plans cover a dependent child of divorced or separated parents, benefits of the child will be determined in this order:

1. First, the plan of the parent with custody of the child;
2. Second, the plan of the spouse of the parent with custody of the child; and
3. Third, the plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care expenses of the child, and the entity obliged to pay or provide the benefits of the plan of that parent has actual knowledge of those terms, the benefits of that plan are determined first. This does not apply with respect to any claim determination period or plan year during which any benefits are actually paid or provided before that entity has that actual knowledge.

But if the specific terms of a court decree state that the parents shall share joint custody, without stating that one of the parents is responsible for the health care expenses of the child, the plans covering the child will follow the order of benefit determination rules as set forth in paragraph (b).

- (d) The benefits of a plan which covers a person as an employee who is neither laid off nor retired, or as that employee's Dependent, will be determined before those of a plan which covers that person as a laid off or retired employee or as that employee's Dependent. If the other plan is not subject to this rule, and if, as a result, the plans do not agree on the order of benefits, this paragraph shall not apply.
- (e) If none of the rules in paragraphs (a), (b), (c) or (d) determine the order of benefits, the benefits of the plan which covered an employee for a longer period of time will be determined before those of the plan which covered that person for the shorter period of time.

If this Group Dental Plan provides only secondary coverage, it shall not be obligated to make payment until DDIL receives a copy of the primary carrier's proof of payment and calculation of benefits.

Where an individual has dual coverage, this Group Dental Plan shall not be charged with a greater amount than the amount for which it would be liable if such dual coverage did not exist. In any event, the benefits under both plans shall not total more than the Dentist's billed fees.

## **DISPUTED CLAIMS PROCEDURE**

**Prior Approval of Benefits:** This group dental plan does not require prior approval of dental services. Nonetheless, a Covered Individual and his/her treating Dentist may request a predetermination of benefits to obtain advance information on the plan's possible coverage of services before they are rendered. Payment, however, is limited to the benefits that are covered under this plan and is subject to any applicable deductible, waiting periods, annual and lifetime coverage limits as well as this plan's payment policies.

**Notice of Adverse Benefit Determination:** If a claim is denied in whole or in part, DDIL shall notify the enrollee of the denial in writing, by issuing an Explanation of Benefits (sometimes referred to as an adverse benefit determination), within 30 days after the claim is filed, unless special circumstances require an extension of time, not exceeding 15 days, for processing. DDIL will notify the treating Dentist as well by issuing an Explanation of Payment. If an extension is necessary, DDIL shall notify the enrollee and the treating Dentist of the extension and the reason it is necessary within the original 30-day period. If an extension is needed because either the enrollee or the treating Dentist did not submit information necessary to decide the claim, the notice of extension shall specifically describe the required information. The claimant shall be afforded at least 45 days from receipt of the notice within which to provide the specified information.

Explanation of Benefits Form: This form includes the following information:

- Through the use of a reference code (numerical code), a statement of the specific reason(s) why the claim was denied, in whole or in part, including specific plan provisions on which the denial is based and a description of any additional information needed in order to perfect the claim as well as the reason why such information is necessary;
- A description of DDIL's appeal process and the time limits applicable to the process, including a statement of the enrollee's right, if this group dental plan is subject to the federal law known as the Employee Retirement Income Security Act ("ERISA"), to bring a civil action under ERISA following an adverse benefit determination;
- If applicable, through the use of a reference code (numerical code), a statement of the specific rule, guideline or protocol relied upon in making the adverse benefit determination;
- If applicable, through the use of a reference code (numerical code), a statement of the relevant scientific or clinical judgment, if the adverse benefit determination is related to dental necessity, experimental treatment or other similar exclusion or limitation.

Request for Appeal of Adverse Benefit Determination: If the enrollee disagrees with DDIL's adverse benefit determination, he/she may appeal this determination to the Reevaluation Committee of DDIL within 180 days following receipt of the adverse benefit determination. The appeal must be in writing and must state why it is believed that DDIL's benefit decision was incorrect. The denial notice, as well as any other documents or information bearing on the claim, should accompany the appeal request. The Reevaluation Committee's review of the claim upon appeal will take into account all comments, documents, records or other information submitted by the claimant, regardless of whether such information was submitted or considered in the initial benefit determination.

Upon request, DDIL will provide, free of charge, reasonable access to and copies of all documents, records and other information relevant to the denied claim.

Reevaluation Committee's Review: The review shall be conducted by a person who is neither the individual who made the initial claim denial nor the subordinate of such individual. If the review is of an adverse benefit determination based in whole or in part on a determination related to dental necessity, experimental treatment or a clinical judgment in applying the terms of the contract, the Reevaluation Committee shall consult with a dentist who has appropriate training and experience in the pertinent field of dentistry and who is neither the dental consultant who made the initial claim denial nor the subordinate of such consultant. The Reevaluation Committee shall provide upon request by the claimant the name of any dental consultant whose advice was obtained in connection with the claim denial, whether or not that advice was relied upon in making the initial benefit determination.

Notice of Review Decision: The Reevaluation Committee shall notify the claimant in writing of its decision on the appeal within 60 days of receipt of the request for review.

If the Reevaluation Committee upholds the adverse benefit determination on appeal, the notice to the claimant shall include the following information:

- Through the use of a reference code (numerical code), a statement of the specific reason(s) for the adverse determination, including specific plan provisions upon which the determination is based;
- A statement that reasonable access to and copies of all documents, records and other information relevant to the denied claim are available free of charge upon request;
- A statement of the claimant's right, if this group dental plan is subject to the federal law known as the Employee Retirement Income Security Act ("ERISA"), to bring a civil action under ERISA;
- If applicable, through the use of a reference code (numerical code), a statement of the specific rule, guideline or protocol relied upon in making the adverse determination;
- If applicable, through the use of a reference code (numerical code), a statement of the relevant scientific or clinical judgment, if the adverse benefit determination is related to dental necessity, experimental treatment or other similar exclusion or limitation.

Employer's Review of Claims for Eligibility Reasons: Notwithstanding the above procedures, employer has the right to review and override all claim determinations related to eligibility or loss of eligibility, whether said claims are approved or denied.

**APPENDIX A**  
SCHEDULE OF DENTAL BENEFITS

This Group Dental Plan agrees, SUBJECT TO THE EXCLUSIONS, TERMS AND CONDITIONS SET FORTH HEREIN, to pay for those dental services or procedures listed in this Schedule. Benefit payments are subject to any applicable Deductibles, waiting periods and coverage limits listed in the Dental Plan Specifications.

The level of covered benefits paid under this Group Dental Plan depends on whether a Covered Individual goes to a Delta Dental PPO Dentist, a Non-Delta Dental PPO Dentist who is a Delta Dental Premier Dentist, or a Non-Delta Dental PPO Dentist who is not a Delta Dental Premier Dentist. The following outlines the level of Dental Benefits paid.

IF TREATMENT IS RENDERED BY A DELTA DENTAL PPO DENTIST, this Group Dental Plan shall pay the designated co-payment percentage, as set forth in this Schedule, of the fee that the Delta Dental PPO Dentist has agreed to accept as full reimbursement under this Group Dental Plan. Delta Dental PPO Dentists may only bill the Covered Individual the difference between the fee they have agreed to accept as full reimbursement for services rendered and this Group Dental Plan's benefit payment for a covered service.

IF TREATMENT IS RENDERED BY A NON-DELTA DENTAL PPO DENTIST, this Group Dental Plan shall pay the designated co-payment percentage, as set forth in this Schedule, of DDIL's Approved Fee.

- (1) If the Non-Delta Dental PPO Dentist is a Delta Dental Premier Dentist, the Dentist is bound to accept DDIL's Approved Fee as full reimbursement for his/her services after this Group Dental Plan's benefit payment.
- (2) If the Non-Delta Dental PPO Dentist is not a Delta Dental Premier Dentist, the Dentist may bill the patient the difference, if any, between his/her fee and this Group Dental Plan's benefit payment.

The benefits furnished under this Group Dental Plan are limited and defined as set forth in the Schedule of Dental Benefits. A request for predetermination of contract benefits, accompanied by any required documentation, should be submitted to DDIL for payment determination before services are rendered. A determination made by DDIL imposes no restrictions on the method of diagnosis or treatment by a treating dentist and only relates to the level of payment which this Group Dental Plan is required to make.
