Short-Term Disability Insurance

Protect your paycheck when you can't work.

Many medical conditions can keep you out of work. Short-term disability insurance helps you meet your financial obligations while you're recovering from an injury, illness, surgery, or childbirth.

AT A GLANCE:

- A cash benefit of 66.7% of your weekly salary (up to \$1,750) when you are out of work for up to 13 weeks due to injury, illness, surgery, or recovery from childbirth
- A partial cash benefit if you can only do part of your job or work part time
- A prompt, responsive claims process

ADDITIONAL DETAILS

Elimination Period: Benefits are payable immediately for disability due to injury or after a period of 7 calendar days due to sickness.

Please Note: Pre-existing condition exclusions may affect the payment of benefits. For complete benefit descriptions, limitations, and exclusions, refer to the certificate of coverage.

This is not intended as a complete description of the insurance coverage offered. Controlling provisions are provided in the policy, and this summary does not modify those provisions or the insurance in any way. This is not a binding contract. A certificate of coverage will be made available to you that describes the benefits in greater detail. Refer to your certificate for your maximum benefit amounts. Should there be a difference between this summary and the policy, the policy will govern.
