

It's Easier Than Ever to Track Your Physical Activity

Use your personal fitness device or app to capture and record your Well onTarget activity and goals.

Syncing up your fitness device or app to track your activity may help you stay motivated to reach your wellness goals.

All of your recorded wellness information appears in one place on the Well onTarget Member Portal, so it's easy and convenient to access. This information is confidential and you can view it as long as you keep your device synced with the portal. You can also connect via your AlwaysOn mobile app.

Well onTarget lets you connect over 80 devices and apps, like Garmin, Fitbit® and more.*

Connect your device or app and earn 2,675 Blue PointsSM.** Then earn 55 Blue Points for every day you track your progress. You can redeem points for gift cards for yourself or family and friends.

Your portal dashboard keeps track of your:

- Minutes of activity
- Steps taken
- Miles traveled
- Calories burned

You can filter the displayed activity by day, week, month or year. This makes your activity information easy to follow.

It's Easy to Get Started

1. Log in to **wellontarget.com**. Sign in with your existing Blue Access for MembersSM account. If you have not yet set up an account, click **Register Now**.
2. Click the person avatar menu  to select **Manage Devices** under **Devices and Apps**.
3. Click **Connect** to start syncing your device or app.

All Well onTarget members have access to the mobile app. To get started, just follow these steps:

1. If you haven't registered on the Well onTarget Portal, go to **wellontarget.com** and register.
2. Download the **AlwaysOn Wellness** mobile app in the Apple or Google store.
3. Open the app and click on **New User Registration**.
4. Follow the prompts to verify information from your member ID card.

You're now on your way to tracking your fitness activity and your progress toward reaching your health and wellness goals!

Take Wellness on the Go

Check out the Well onTarget mobile app (AlwaysOn), available for iPhone[®] and Android[™] smartphones. Connect your favorite fitness app, such as Fitbit or Apple Health, and watch your Blue Points add up as your daily activity is automatically logged. The Well onTarget app also features wellness trackers, Personal Challenges and the Health Assessment.

* New devices will be added as the fitness tracking landscape changes. Members can also request a new device partnership anytime in the portal.

** Blue Points Program Rules are subject to change without prior notice. See the Program Rules on the Well onTarget Member Wellness Portal at wellontarget.com for further information. Taxes may apply.

We do not guarantee that these services or products will function on any particular hardware or devices. Individuals are responsible for obtaining and updating compatible hardware or devices necessary to access and use these services. Check with your carrier to find out if additional charges may apply.

The Well onTarget program is not endorsed by, affiliated with or sponsored by Fitbit, Apple Health, Samsung Health, or Garmin.

Onlife Health is an independent company that provides wellness services for the Well onTarget program.

Participation in the Well onTarget program, including the completion of a Health Assessment, is voluntary and you are not required to participate. Well onTarget is an informational resource provided to members and is not a substitute for the independent medical judgment of a health care provider. Members are instructed to consult with their health care provider before beginning their journey toward wellness.
