Delta Dental of Illinois

Delta Dental of Illinois will make you smile.

You are a member of the largest and most experienced dental benefits carrier. You have the benefit of our over 50 years of dental expertise. You've made a smart choice to elect dental benefit coverage. Good oral health starts with good dental coverage and knowledge. Your smile is a powerful thing and it's safe with Delta Dental of Illinois.

Your oral health and satisfaction are extremely important to us. We are committed to ensuring you and your covered dependents receive quality dental care and superior customer service. For help answering any questions, please visit us online at deltadentalil.com, download our Delta Dental mobile app, (see the enclosures here for all you can access through our website and mobile app) or contact our Customer Service Department at 800-323-1743. We look forward to serving you.

Delta Dental of Illinois is partnering with Amplifon to provide you with an added benefit for deeply discounted hearing aids and hearing healthcare services. One in 9 Americans experience some form of hearing loss – and that number is expected to double by 2030. The good news is that 95 percent of hearing loss is treatable with hearing aids. Please see the information sheet included in this packet or visit <http://www.amplifonusa.com/deltadentalil> to learn more.

Your Delta Dental Program

With your dental benefit program, you are free to go to any licensed dentist. However, you will save the most money by visiting a dentist in the Delta Dental PPOSM network.

Delta Dental PPO dentists agree to accept our allowed PPO fees as payment in full, which means they can't charge you the difference between their usual fee and our allowed fee. On average, patients save 30 percent on the fee a Delta Dental PPO dentist would typically submit for a claim. Not only will you save money, but you can also stretch your benefit dollars – the less the claim reimbursement, the less dollars applied to your annual maximum.

Delta Dental Premier® is a safety net for our Delta Dental PPO network. You will pay more out-of-pocket with a Delta Dental Premier dentist compared to a Delta Dental PPO dentist. However, you may save more money with a Delta Dental Premier dentist compared to a non-network dentist. Delta Dental Premier dentists agree to our maximum plan allowances as payment in full, which may be lower than what a dentist would typically charge. See below for savings examples.

	 Amount Billed	 Delta Dental of Illinois' Allowed Amount	 Coverage Percentage Paid by Delta Dental of Illinois	 Amount Delta Dental of Illinois Pays*	 Amount Dentist Can Bill You Over the Allowed Amount	 Total Amount You Pay	 Your Total Cost Savings
Procedure 1							
Delta Dental PPO™ Network	\$80	\$57	100%	\$57	\$0	\$0	\$23
Delta Dental Premier® Network	\$80	\$70	100%	\$70	\$0	\$0	\$10
Out-of-Network	\$80	\$70	100%	\$70	\$10	\$10	\$0
Procedure 2							
Delta Dental PPO™ Network	\$1,200	\$850	50%	\$425	\$0	\$425	\$350
Delta Dental Premier® Network	\$1,200	\$995	50%	\$497.50	\$0	\$497.50	\$205
Out-of-Network	\$1,200	\$995	50%	\$497.50	\$205	\$702.50	\$0

The information in the chart above is for illustrative purposes only and assumes the deductible has been met and the annual maximum has not been reached. There are some limitations on the expenses for which your dental plan pays. If you have specific questions regarding benefit coverage, limitations, exclusions or non-covered services, please refer to your certificate of coverage/dental benefit booklet or contact Delta Dental of Illinois. For specific fees and costs for a certain procedure, you can request a pre-estimate from your dentist.

Finding a Network Dentist

As you can see, it pays to use a Delta Dental PPO dentist. Visit deltadentalil.com today to find a network dentist. You can also download our free Delta Dental mobile app, available for Apple and Android devices, to find dentists and gauge the cost of common dental treatments using the Dental Care Cost Estimator tool.

What are my Benefits?

A highlight of your benefit plan is included with this packet. You can also review your benefits through the Member Connection at deltadentalil.com (please see the Member Connection sheet included in this packet). Please also review your certificate of coverage for a detailed description of your benefits. Delta Dental offers an array of dental benefits programs to our clients. The benefits you receive depend on the program options your group has selected. Payment policies differ for each program and likewise, not all treatments are covered similarly. Depending on the treatment, Delta Dental of Illinois will pay only the applicable percentage of the fee for the maximum we allow for that service. **Remember that you'll likely enjoy the most out-of-pocket savings if you visit a Delta Dental PPO network dentist.** The better you understand your program, the more you will know about what dental services are covered and understand what you may owe your dentist.

We're here to help. If you have questions, visit deltadentalil.com or call 800-323-1743 to connect with us.

Your dental benefit program also includes our Enhanced Benefits Program and our ToGoSM carryover feature. Information is below.

Enhanced Benefits Program — Oral Health Meets Overall Health

Delta Dental of Illinois offers an Enhanced Benefit Program that enhances coverage for individuals who have specific health conditions that can be positively affected by additional oral health care. These enhancements are based on scientific evidence that shows treating and preventing oral disease in these situations can improve overall health. If you are eligible, you can sign up through the Member Connection (information is included).

Take Your Annual Maximum ToGo

The ToGoSM feature from Delta Dental of Illinois allows you to take unused annual maximums “to go” from one year to the next. In traditional PPO plans, the annual maximum is a “use it or lose it” benefit. The ToGoSM feature gives you the ability to carryover any qualified unused portion of your annual maximum to the subsequent year(s). ToGo provides more flexibility to help you prepare for more extensive and costly dental treatment. Information on ToGo is included.

When Do You Need a Predetermination of Benefits?

It is not required, but we recommend that you ask your dentist to predetermine services over \$200. If your dentist recommends a certain procedure that will cost over \$200, ask him or her to send a predetermination to Delta Dental of Illinois. We will issue a predetermination that indicates the amount covered for the procedure in advance. Assuming no changes are made to eligibility or additional benefits for other claims are paid prior to receiving treatment, you and your dentist will have a better idea how much will be covered under the benefit program and how much you will be required to pay for the service.

Submitting a Claim

Network dentists automatically submit claims to us. If you use a non-network dentist, you may have to file your own claim form. Our claims mailing address is: P.O. Box 5402, Lisle IL 60532.

Treat your hearing loss, easily and affordably

What causes hearing loss?

Hearing loss can be temporary and caused by simple things like ear wax or a cold. It can also be permanent, caused by damage to the tiny hair-like cells in the inner ear as a result of exposure to noise, aging, other health conditions, or certain medications.

When should I get my hearing checked?

Hearing loss can come on so gradually that you may not even notice it's happening. In general, you should have your hearing screened every three to five years, and tested annually if you are over the age of 50 or experiencing any of the following:

- **Consistent exposure** to loud noises.
- **Difficulty understanding** in noisy environments or in groups.
- **Hearing mumbling** or feeling as though people are not speaking clearly.
- **Ringing** in your ears.

How can I check my hearing?

Getting your hearing checked is now easier than ever with in-person and at-home options:

- **Virtual screening** allows you to confirm if hearing loss is detected from the comfort of home
- **Professional hearing evaluations** take place in a hearing care clinic setting. A hearing care professional will work with you to complete an in-depth evaluation of your hearing and propose solutions if hearing loss is indicated.

Delta Dental PPO and Premier dentists cannot balance bill the enrollee for the difference between Delta Dental's allowed fee and the dentist's submitted charge.

When it comes to pearly whites, everyone wants to save a little green. With the Delta Dental PPO™ network, you'll get the coverage you need at a lower out-of-pocket cost.

Here's why: Delta Dental PPO network dentists agree to accept our reduced PPO fees as payment in full for dental services. This means they cannot bill you the difference between what they usually charge for a dental service and what the Delta Dental PPO fee is. This requirement for network dentists is how we protect members from unexpected charges. On average, **members save 30%** on the fee a Delta Dental PPO dentist would normally charge for a service.

Delta Dental Premier® is a safety net for our Delta Dental PPO network. You will pay more out-of-pocket with a Delta Dental Premier Dentist compared to a Delta Dental PPO Dentist. However, you may save more with a Delta Dental Premier Dentist compared to a non-network Dentist. Delta Dental Premier Dentists agree to our maximum plan allowances as payment in full, which may be lower than the dentist's regular fee.

Use it or lose it?

Not with To GoSM from Delta Dental of Illinois

In traditional PPO dental plans, the annual maximum is a “use it or lose it” benefit. With Delta Dental of Illinois’ To Go feature, members don’t have to leave unused annual maximum dollars behind.* They can carry over the unused portion of their annual maximum to the next benefit year and use it later.

To Go allows members more flexibility and can help them plan for more costly dental treatments down the road.

Visiting the dentist is doubly important.

It pays to go to the dentist for routine visits to keep oral health in check and maximize dental benefit plans. If members have a dental service that applies to their annual maximum** during their benefit year, To Go allows unused annual maximum dollars to be applied to their dental plan for the next year — up to twice the amount of their plan’s annual maximum. Plus, their To Go carryover balance never expires, so they keep the additional dollars until they need them.***

How To Go annual maximum carryover works:

YEAR 1	Annual Maximum	\$1,500	
	Eligible Benefits Received	— \$500	
	Unused Annual Maximum	\$1,000	
	To Go Balance / Carryover to Year 2	\$1,000	←
YEAR 2	Annual Maximum	\$1,500	
	Eligible Benefits Received	— \$400	
	Unused Annual Maximum	\$1,100	
	To Go Balance	+ \$1,000	←
	! To Go Balance / Carryover to Year 3	\$2,100	
	The To Go balance cannot exceed the total annual maximum amount (\$1,500) so only \$500 of the \$1,100 unused annual maximum can be applied to the To Go balance.		
	Adjusted To Go Balance / Carryover to Year 3	\$1,500	←
YEAR 3	Annual Maximum	\$1,500	
	Eligible Benefits Received	— \$2,000	
	Balance Due	\$500	
	Unused Annual Maximum	\$0	
	To Go Balance	\$1,500	←
	To Go Balance Applied	\$500	
	To Go Balance / Carryover to Year 4	\$1,000	

deltadentalil.com

* The To Go feature may not be available with all Delta Dental PPOTM and Delta Dental Premier[®] plans. Review your plan documents to see if To Go is included in your plan.

** Any preventive/diagnostic, basic or major dental services apply to the annual maximum. Carryover amounts for unused annual maximum dollars are subject to plan design and cannot exceed twice the plan’s annual maximum.

*** Members cannot take unused maximums with them upon termination of employment or the dental plan, nor can they apply the unused annual maximum to another dental plan.

NOTICE OF PRIVACY PRACTICES AND RIGHTS

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY

OUR PLEDGE REGARDING YOUR HEALTH INFORMATION

This Notice describes the privacy practices of Delta Dental of Illinois and its affiliated companies (collectively, “we” or “us” or the Company). These entities have designated themselves as a single affiliated covered entity for purposes of the privacy rules under the Health Insurance Portability and Accountability Act of 1996, as amended (“HIPAA”) and each has agreed to abide by the terms of this Notice and may share protected health information with each other as necessary for treatment, payment or to carry out health care operations, or as otherwise permitted by law.

We understand that health information about you is personal. We are committed to protecting the confidentiality of your health information that we maintain and using your information appropriately.

The HIPAA Privacy Rule protects only certain health information known as “Protected Health Information” (“PHI”). Generally, PHI is individually identifiable health information, including demographic information, transmitted or maintained by us, regardless of form (oral, written or electronic). We are required by law to maintain the privacy of your health information and to provide you with this notice of our legal duties and privacy practices with respect to your health information and to notify affected individuals following a breach of unsecured PHI. This Notice explains how we may use your health information and when we can share that information with others. This Notice also informs you of your rights with respect to your health information and how you may exercise those rights.

We comply with the provisions of HIPAA and the Health Information Technology for Economic and Clinical Health (“HITECH”) Act and their implementing regulations. We maintain a breach reporting policy and have in place appropriate safeguards to track required disclosures and meet appropriate reporting obligations. In addition we comply with the “Minimum Necessary” requirements when using or disclosing your health information or when requesting your health information.

This Notice does not apply to information that has been de-identified. De-identified information is information that does not identify an individual and with respect to which there is no reasonable basis to believe that the information can be used to identify an individual.

HOW WE MAY USE AND SHARE YOUR HEALTH INFORMATION

We are allowed to use or share health information about you for certain purposes without your authorization, as permitted by federal and state law. The following categories describe different ways we may use and disclose health information. Not every use or disclosure in a category will be listed, but all of the ways we are permitted to use and disclose information will fall within one of the categories.

Payment: We may use or disclose PHI about you to obtain payment for your treatment and to conduct other payment related activities, for example, determining eligibility for benefits, billing, adjudicating your health claims, making coverage decisions, administering benefits and coordinating benefit payments.

Treatment: We may use or disclose your PHI to facilitate medical treatment or services by providers. For example, we may disclose information about prior treatment to a provider if the prior treatment affects coverage for the current treatment.

Health Care Operations: We may use or disclose your health information in connection with our health care operations, including conducting quality assessment and improvement activities, training, licensing, or credentialing activities, setting rates, conducting or arranging for treatment review, legal services and audit functions including fraud and abuse detection and compliance programs; resolving grievances and other activities related to coverage determinations, carrying out a wellness program and conducting business planning and general administrative activities.

Use by Business Associates: We may contract with individuals or entities known as Business Associates to perform various functions or to provide certain types of services on the Company's behalf. In order to perform those functions or provide these services, Business Associates may receive, create, maintain, use and/or disclose your PHI, but only if they agree in writing with the Company to implement appropriate safeguards regarding your PHI.

Disclosure to Health Plan Sponsor, Which May Be Your Employer: If you are covered under a group benefit program, your health information may be disclosed to the sponsor of the health plan under which your benefits are provided solely for the purposes of administering benefits under the health plan. The plan sponsor may be your employer or affiliated with your employer. Health information may also be disclosed to another health plan maintained by that plan sponsor for purposes of facilitating claims payments under that other health plan. We will make disclosures to the plan sponsor only if the plan sponsor has certified that it has put into place plan provisions requiring the sponsor to keep the health information protected.

We may, however, disclose certain health information to the plan sponsor without a certification in two circumstances. First, we may disclose summary health information to the plan sponsor to obtain premium bids or modifying, amending, or terminating the group health plan. Summary health information is summary claims information that has been stripped of most information that can link it to particular individuals. Second, we may disclose information on whether you have enrolled in or disenrolled from your benefit program.

Health Related Benefits and Services: We may use or disclose health information about you to communicate to you about health-related benefits and services. For example, we may communicate to you about health related benefits and services that add value to, but are not part of, your health plan.

We may also be required to release your health information, without your authorization, to others for the following reasons:

Required By Law: We may report your PHI, for example, in the event of suspected fraud, to state and federal agencies that regulate us or providers, such as the U.S. Department of Health and Human Services, the Illinois Department of Insurance or the Illinois Department of Financial and Professional Regulation.

Military and Veterans: If you are a member of the armed forces, we may release PHI about you if required by military command authorities.

Victims of Abuse, Neglect or Domestic Violence: We may report your PHI to a government authority regarding child abuse, neglect or domestic violence.

Health Oversight Activities: We may share your PHI with a health oversight agency for certain activities including audits, inspections, licensure or disciplinary actions.

Lawsuits and Disputes: We may provide your PHI to a court or an administrative agency, for example, pursuant to a court order or subpoena.

Law Enforcement: We may report your PHI to a law enforcement official for purposes, for example, of identifying or locating a suspect, fugitive, material witness or missing person or in response to a grand jury subpoena, an administrative subpoena or a civil or criminal investigation.

Coroners, Medical Examiners, and Funeral Directors: We may share your PHI with a coroner or medical examiner to identify a deceased person, determine a cause of death, or as authorized by law. We may also share information with funeral directors as necessary to carry out their duties.

Avert a Serious Threat to Health or Safety: We may report your PHI to public health agencies if we believe, in good faith, that the use or disclosure is necessary to prevent or lessen a serious health or safety threat. Any disclosure, however, would only be to someone able to help prevent the threat.

Specialized Government Functions: We may share your PHI to authorized federal officials for the conduct of lawful intelligence, counterintelligence and other national security activities duly authorized by law.

Workers' Compensation: We may disclose your PHI as authorized by and to the extent necessary to comply with the law relating to workers' compensation or similar programs that provide benefits for work-related injuries or illness.

Research: We may use or disclose your health information for research, subject to certain conditions. For example, we may provide your PHI to an entity to analyze utilization patterns so long as the recipient entity fully complies with all legal requirements which apply to PHI for which no patient authorization has been given.

Other Uses of Health Information: Uses and disclosures of PHI for marketing purposes and disclosures that constitute a sale of PHI require your written authorization. Other uses and disclosures of your PHI not covered by this Notice or laws that apply to us will be made only with your written authorization. If you give us an authorization, you may revoke that authorization, in writing, at any time to stop any future uses or disclosures. If you revoke your authorization, we will no longer use or disclose health information about you for the reasons covered by your written authorization. We are unable to take back any disclosures we have already made with your authorization.

WHAT ARE YOUR RIGHTS

If you request a copy of this information, we may charge you a reasonable fee for the costs of copying, mailing or other supplies associated with your request. In certain situations, we may deny your request to inspect a copy or obtain a copy of your information. If you are denied access to PHI, you may request that the denial be reviewed by submitting a written request to the Compliance Department at the address listed below.

You have the right to ask us to make changes to your health records: If you believe that any health information we have about you is incorrect or incomplete, you may ask us to make changes to this information. These changes are known as "amendments." You have the right to request an amendment for as long as the information is kept by or for us. To request an amendment, your request must be made in writing and include a reason supporting the requested change. Please submit the request to the Compliance Department at the address listed below. We may deny your request for an amendment if it is not in writing or does not include a reason. We may also deny your request for amending your health information if it covers health records that:

We will provide one list of disclosures to you per 12-month period free of charge; we may charge you for additional lists.

You have the right to ask us to restrict the use or disclosure of your information: You have the right to ask us to restrict information about you that we use or disclose for payment or health care operations. You also have the right to request us to restrict information that we may release to someone who is involved in your care or the payment for your care. Please note that, with limited exceptions, we are not required to agree to these restrictions. To request restrictions, you must make your request in writing to the Compliance Department at the address listed below. In your written request, you must tell us (1) what information you want to limit; (2) whether you want to limit our use, disclosure, or both; and (3) to whom you want the limits to apply (for example, disclosures to your spouse).

You have the right to ask to receive confidential communications of information: If you believe that you would be harmed if we send your health information to your current mailing address (for example, in situations involving domestic disputes), you can ask us to send the health information by alternate means (for example, by facsimile or e-mail) or to an alternate address.

We will accommodate your reasonable requests to receive communications from us by alternative means or at alternative locations to the extent our claims management system has that capability. Further, we will not ask you the reason for your request. To request confidential communications, you must send a written request to the Compliance Department at the address listed below. Your request must specify how or where you wish to be contacted.

You have the right to receive a paper copy of this Notice upon request: You may ask us to give you a copy of this Notice at any time. Even if you have agreed to receive this Notice electronically, you are still entitled to obtain a paper copy of this Notice from us upon request.

You may also obtain a copy of the current version of the Notice of Privacy Practice and Rights of the Company at its website: www.deltadentalil.com
