

# Earn Apple Watch Ordering Guide

## GET APPLE WATCH.

Get the Apple Watch that moves you.

Purchase Apple Watch Series 11 (GPS) 42mm or Apple Watch SE 3 (GPS) 40mm on the Vitality website at a substantially reduced price for getting more active.

## Case finishes, bands and size.

As Apple predetermines collections, it's possible that the color and band combination you want may not be available. Also consider whether you would prefer a larger watch (45mm) for Series 11 or (44mm) for SE 3.

## WHICH APPLE STYLE IS YOURS?

Here's a quick reference on the different options and information on how upgrade costs may apply.

	ACTIVATION FEE	UPGRADE COST	CELLULAR
<b>APPLE WATCH</b> SERIES 11	GPS 42mm <b>\$63</b> + TAX	45mm <b>+\$30</b>	<b>42mm GPS + Cellular</b> an upgrade cost of \$100 applies <b>46mm GPS + Cellular</b> an upgrade cost of \$130 applies

## WHEN TO EXPECT YOUR WATCH

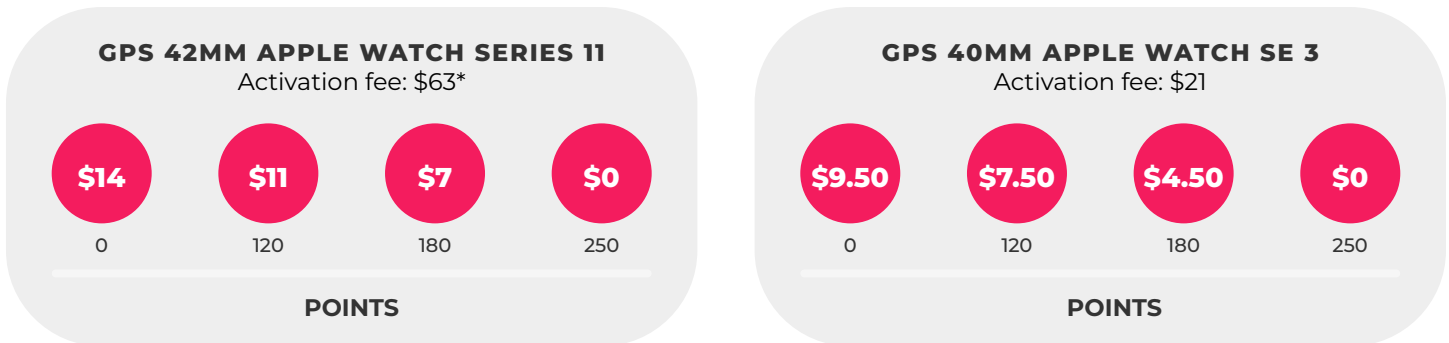

Delivery times vary based on the availability of the order you place.

After you receive your watch and you meet monthly workout targets from Power of Vitality, you can lower the price you pay for your watch for each of the 24 months of the two-year payment period.

## GET ACTIVE. GET REWARDED.

Monthly payment amounts based on Vitality points earned

The more points you earn for standard or advanced workouts each calendar month, the less you pay.

\*You may also order Apple Watch Ultra 3 for an additional upgrade fee at point of purchase with the same monthly payment structure as Apple Watch Series 11.
